Objective

A Motivated B.E student with strong problem-solving skills and full-stack fundamentals, seeking an engineering internship to apply technical skills, build real-world solutions, and grow through hands-on project experience.

Education

Jadavpur University, Kolkata, India

upto 4th semester

October 2023 - June 2027

CGPA: 8.25

Purwanchal Vidyamandir, Kolkata, India

ISC

2022

Percentage : 93.75%

Purwanchal Vidyamandir, Kolkata, India

ICSE

2020

Percentage : 92.2%

Technical Experience

E-Commerce Web App | React, Spring Boot, MySQL, OAuth2 | [link](#)

- Built a full-stack e-commerce platform with user authentication, product browsing, shopping cart, and order management.
- Implemented secure login, logout, and account creation, including Google OAuth 2.0 login and JWT-based session management.
- Deployed backend on Render with Docker and frontend on Netlify, handling HTTPS, CORS, and environment-specific configurations.
- Integrated cloud-hosted MySQL (Aiven) using JPA and managed data persistence efficiently.

Whiteboard | HTML, CSS, Vanilla JavaScript | [link](#)

- Designed, built, and tested a fully functional whiteboard application with pencil, eraser, sticky notes, image insertion, and board download features.
- Implemented undo-redo feature using arrays as stack by storing positions.
- Gained hands-on experience in DOM manipulation, canvas API, and frontend design principles.

Technical Skills

Languages : C, Java, JavaScript

Technologies : HTML, CSS, Vanilla JavaScript, Git, GitHub

Frameworks : React, Hibernate, Spring MVC, Spring Boot

Databases : MySQL

Coursework : Data Structures and Algorithms, Object Oriented Programming, Computer Networks, Operating System

Achievements

- Finalist in Competitive Programming events at Srijan 2024 & 2025, the annual tech fest of Jadavpur University.
- Solved 300+ problems on LeetCode. [\[profile\]](#)
- Achieved a rating of 1332 (Pupil) on Codeforces. [\[profile\]](#)
- Achieved a 3-star rating on CodeChef. [\[profile\]](#)
- Secured Global Rank 80 among 33,660 participants in CodeChef Starters 202.
- Secured General Rank 1595 in WBJEE.
- Choreographed and led a team to win 1st prize in dance in the Fresher's Competition.
